Important Information

Your Delta Dental Premier coverage is administered by Delta Dental of Iowa. By encouraging preventive care, this dental program is designed to help contain dental costs. The key component of the Delta Dental Premier Program is our panel of Participating Dentists, hereafter referred to as Delta Dental Dentists. You may seek care from almost any dentist you wish. However, there are usually advantages when you receive services from Delta Dental Dentists.

Your payment responsibilities are also outlined in this section of your Certificate. How much you pay for Covered Services depends on the benefit category of the service you receive and the dentist you receive services from. It is most often to your financial advantage to receive services from a Delta Dental Dentist.

What You Should Know about Delta Dental Dentists

We have contracting relationships with Delta Dental Dentists throughout the state. Our contracts with Delta Dental Dentists include payment arrangements that are made possible by our broad base of customers. We use different methods to determine payment arrangements. These payment arrangements usually result in savings to you. When you receive services from Delta Dental Dentists who participate with Delta Dental of Iowa or any other Delta Dental Member Company, all of the following statements are true:

- Delta Dental Dentists agree to accept their local Delta Dental Member Company’s payment arrangements, which may result in savings.
- Delta Dental Dentists agree to file claims for you.
- We settle claims directly with Delta Dental Dentists. You are responsible for any deductible and coinsurance amounts you may owe. See Understanding Amounts You Pay to Share Costs later in this section.
- Delta Dental Dentists agree to handle the notification program for you. See The Notification Program section.
- Delta Dental Dentists agree that he or she will only be paid the lesser of (i) his or her billed charge, or (ii) Delta Dental’s Maximum Plan Allowance for Covered Services. See Understanding Payment Vocabulary later in this section.
WHAT YOU SHOULD KNOW ABOUT DENTISTS WHO DO NOT PARTICIPATE WITH DELTA DENTAL

When you receive services from nonparticipating (non-par) dentists, you will not receive any of the advantages that our contracts with Delta Dental Dentists offer. As a result, when you receive services from nonparticipating dentists, all of the following statements are true:

■ We do not have contracting relationships with nonparticipating dentists and they do not agree to accept their local Delta Dental Member Company’s payment arrangements. This means you are responsible for any difference between your nonparticipating dentist’s billed charge and the Maximum Plan Allowance. See UNDERSTANDING PAYMENT VOCABULARY later in this section.

■ Nonparticipating dentists are not responsible for filing your claims.

■ We settle claims with you, not nonparticipating dentists. You are responsible for paying your dentist in full, including any deductible, coinsurance and non-approved charges you may owe. See UNDERSTANDING PAYMENT VOCABULARY later in this section.

■ Nonparticipating dentists do not agree to handle the notification program for you. See THE NOTIFICATION PROGRAM section.

■ Nonparticipating dentists may charge for “infection control,” which includes the costs for services and supplies associated with sterilization procedures. You are responsible for any extra charges billed by a nonparticipating dentist for “infection control.” (All dentists are legally required to follow certain guidelines to protect their patients and staff from exposure to infection. However, Delta Dental Dentists incorporate these costs into their normal fees and do not charge an additional fee for “infection control.”)

■ Nonparticipating dentists do not agree that he or she will only be paid the lesser of (i) his or her billed charge, or (ii) Delta Dental’s Maximum Plan Allowance for Covered Services, as do Delta Dental Dentists. See UNDERSTANDING PAYMENT VOCABULARY later in this section.

QUESTIONS WE ASK WHEN YOU RECEIVE DENTAL CARE

Even though a procedure may appear in a given section such as BENEFITS, you should note that before you are eligible to receive benefits, we first answer all of the following questions:

Is the Procedure Dentally Necessary?
All of the following must be true for a procedure to be considered dentally necessary:

■ The diagnosis is proper; and
The treatment is necessary to preserve or restore the basic form and function of the tooth or teeth and the health of the gums, bone, and other tissues supporting the teeth.

**Is the Procedure Dentally Appropriate?**
All of the following must be true for a procedure to be considered dentally appropriate:

- The treatment is the most appropriate procedure for your individual circumstances; and
- The treatment is consistent with and meets professionally recognized standards of dental care and complies with criteria adopted by us; and
- The treatment is not more costly than alternative procedures that would be equally effective for the treatment or maintenance of your teeth and their supporting structures. **If you receive services which are more costly than those equally effective for the treatment or maintenance of your teeth and supporting structures, you are responsible for paying the difference.**

**Is the Procedure Subject to Contract Limitations?**
Contract limitations refer to amounts that are your responsibility based on your contractual obligations with us. Examples of contract limitations include all of the following:

- Amounts for procedures that are not dentally necessary or dentally appropriate.
- Amounts for procedures that are not covered by this Certificate. See SERVICES NOT COVERED.
- Amounts for procedures that have limitations associated with them. See BENEFITS for a description of covered procedures and limitations associated with certain procedures.
- Amounts for procedures that have reached contract maximums. See the SUMMARY OF BENEFITS AND PAYMENT chart at the beginning of this Certificate.
- Any difference between the dentist’s billed charge and the Maximum Plan Allowance. **Please note:** This only applies if you receive services from a non-participating dentist.
- Deductible(s) and Coinsurance.
OUR PAYMENT POLICY
Our policy is to send our payment for treatment after it is completed—not before. For example, we will send our payment for:

■ a crown when it is seated.
■ a fixed or removable prosthesis when it is inserted.
■ a root canal when it is filled.

UNDERSTANDING PAYMENT VOCABULARY
Benefit Period
A benefit period is the same as a calendar year. It begins on the day your coverage goes into effect and starts over each January 1. This is true for as long as you have coverage.

The benefit period is important for calculating your deductible and benefit period maximum, if applicable.

Billed Charge
The billed charge is the amount a dentist bills for a specific dental procedure.

Covered Charge
The covered charge is the amount a dentist bills for a dental procedure that is a covered benefit under your Certificate.

Covered Person
Covered Person means any individual eligible for dental benefits under a dental program that is insured or administered by Delta Dental (or by a Delta Dental Member Company).

Covered Services
Covered Services means dental services allowed as a result of being insured by, or included under a dental plan administered by, Delta Dental (or by a Delta Dental Member Company).

Delta Dental Member Company
Delta Dental Member Company means a company that is an active member or affiliate member of Delta Dental Plans Association, as defined in the Delta Dental Plans Associations Bylaws.
**Maximum Plan Allowance**

Maximum Plan Allowance is the amount which Delta Dental establishes as its maximum allowable fee for the dental services under the Delta Dental Premier Program. For services billed by dentists outside of Iowa, the Maximum Plan Allowance is based on information from that state’s Delta Dental Member Company.

The Maximum Plan Allowance is established by Delta Dental for dental services contained in the “Current Dental Terminology” published by the American Dental Association from time to time. It is developed from various sources that may include, but are not limited to, contracts with dentists, the simplicity or complexity of the procedure, the billed charge for the same procedure by dentists in the same geographic area and with similar training and skills, and a leading economic indicator, such as the Consumer Price Index.

**UNDERSTANDING AMOUNTS YOU PAY TO SHARE COSTS**

**Deductible**

Deductible is the fixed dollar amount you pay for Covered Services for each Covered Person in a benefit period before benefits are available under this Delta Dental Certificate. This amount is shown on the SUMMARY OF BENEFITS AND PAYMENT chart at the beginning of this Certificate.

**Coinsurance**

Coinsurance is the amount, calculated using a fixed percentage, you pay each time you receive certain Covered Services. These amounts are shown on the SUMMARY OF BENEFITS AND PAYMENT chart at the beginning of this Certificate.

Coinsurance payments begin once you meet any applicable deductible amounts. Coinsurance is calculated off the Maximum Plan Allowance. In general, the percentage of coinsurance you pay depends on the benefit category of the service you receive.

**Benefit Period Maximum**

The benefit period maximum is the maximum benefit each Covered Person is eligible to receive for certain Covered Services in a benefit period. The benefit period maximum is reached from claims settled under this Certificate in a benefit period. This amount is shown on the SUMMARY OF BENEFITS AND PAYMENT chart at the beginning of this Certificate.

THE NOTIFICATION PROGRAM

This section explains the notification program you or your dentist should follow before you receive certain benefits available under this Certificate. This program is the checks and balances of your dental coverage. It helps:
■ determine that services are dentally necessary and dentally appropriate;
■ confirm the benefits of your Certificate.

THE APPROVAL
The purpose of the notification program is to help control the cost of your benefits — not to keep you from receiving dentally necessary and dentally appropriate treatment.

You should notify us before you receive the following benefits:
Gum and Bone Diseases

Our review is based on the treatment plan submitted by your dentist.

THE TREATMENT PLAN
A treatment plan describes the treatment your dentist has recommended for you and helps us determine if the procedure is a benefit of your Certificate as well as dentally necessary and dentally appropriate.

When to Submit a Treatment Plan
You will need to file a treatment plan only if your dentist is nonparticipating — Delta Dental Dentists agree to file for you.

A complete treatment plan includes the plan of treatment and x-rays. Please send the x-rays within 15 working days of receipt of the proposed treatment plan.
Where to Send a Treatment Plan
Submit the proposed treatment plan, along with x-rays and supporting information to:

    Delta Dental of Iowa
    P.O. Box 9000
    Johnston, IA  50131-9000

THE TREATMENT PLAN REVIEW
Once we receive the treatment plan and proper documentation, we will let you and your dentist know if the treatment plan is approved within 15 working days. We will take one of the following three actions when we receive your treatment plan:

■ accept it as submitted.
■ recommend an alternative benefit. If we ask you to receive an independent diagnosis from a dentist of our choice, we will pay for the exam.
■ deny the treatment plan because:
   — the procedure is not a benefit of your Certificate;
   — you did not receive an independent exam after we asked you to; or
   — the procedure is not dentally necessary and dentally appropriate.

Appeal
If we deny a treatment plan, you can resubmit it with additional documentation and ask us, in writing, to reconsider. If necessary, we will ask you to receive an independent diagnosis from an independent dentist of our choice—we will pay for the exam.

Please note: Although we may approve a treatment plan, we are not liable for the actual treatment you receive from your dentist.
FILING CLAIMS

Once you receive dental services, we need to receive a claim to determine the amount of your benefits. The claim lets us know the services you received, when you received them, and from which dentist. You will need to file a claim only when you use a nonparticipating dentist who does not agree to file a claim for you — Delta Dental Dentists file for you.

WHEN TO FILE YOUR CLAIM

After you receive services, you should file a claim only if your dentist has not filed one for you. Delta Dental may disallow payment of a claim submitted more than 365 days after the date services were rendered.

You should file a claim only after the procedure is completely finished. Do not file for payment before a procedure is completed.

If you need a claim form or have any questions after reading this section, please call us or visit our website www.deltadentalia.com. For your convenience, we have listed our toll-free number on the back cover of this Certificate. If you must file your own claim, send it to the following address:

Delta Dental of Iowa
P.O. Box 9000
Johnston, IA 50131-9000

FILING WHEN YOU HAVE OTHER COVERAGE
COORDINATION OF BENEFITS

You may have other insurance or coverage that provides the same or similar benefit(s) as this Certificate. If so, we will work with your other insurance company or carrier. The benefits payable under this Certificate when combined with the benefits paid under your other coverage will not be more than 100 percent of either our payment arrangement amount or the other carrier’s payment arrangement amount.
**What You Should Do**

When you receive services, you need to let us know that you have other coverage. Other coverage includes: group insurance, other group benefit plans (such as HMOs, PPOs, and self-insured programs); Medicare or other governmental benefits; and the medical benefits coverage in your automobile insurance (whether issued on a fault or no-fault basis). To help us coordinate your benefits, you should:

- inform your dentist by giving him or her information about your other coverage at the time you receive services. Your dentist will pass the information on to us when the claim is filed.
- indicate that you have other coverage when you fill out a claim form by completing the appropriate boxes on the form. We will contact you if we need any additional information.

You must cooperate with us and provide requested information about your other coverage. If you do not give us necessary information, your claims will be denied.

**What We Will Do**

There are certain rules we follow to help us determine which Certificate pays first when you have other insurance or coverage that provides the same or similar benefits as this Certificate. Here are some of the rules:

- The coverage *without coordination of benefits* pays first when both coverages are through a group sponsor such as an employer, but one coverage has coordination of benefits and one does not.
- The dental benefits of your *auto coverage* will pay before this coverage if the auto coverage does not have a coordination of benefits provision.
- The coverage which you have as an *employee or contract holder* pays before the coverage which you have as a spouse or child.
- The coverage you have as the *result of your active employment* pays before coverage you hold as a retiree or under which you are not actively employed.
- The coverage with the *earliest continuous effective date* pays first when none of the above rules apply.

If none of the guidelines just mentioned apply to your situation, we will use the Coordination of Benefits (COB) guidelines adopted by the Iowa Insurance Division to determine our payment to you or to your Delta Dental Dentist.
What You Should Know About Children
To coordinate benefits for a child the following rules apply. For a child who is:

- **covered by both parents** who are not separated or divorced or if they are, neither parent has primary physical custody, the coverage of the parent whose birthday occurs first in a calendar year pays first. If another carrier does not use this rule, then the other plan will determine which coverage pays first.
- **covered by separated or divorced parents** and a court decree says which parent has financial or dental insurance responsibility, that parent’s coverage pays first.
- **covered by separated or divorced parents** and a court decree does not stipulate which parent has financial or dental insurance responsibility, then the coverage of the parent with custody pays first. The payment order for this child is as follows: custodial parent, spouse of custodial parent, other parent, and spouse of other parent.

If none of these rules apply, the parent’s coverage with the earliest continuous effective date pays first.

**APPEALING A DENIED CLAIM**
**YOUR INITIAL REQUEST FOR A REVIEW**
If Delta Dental of Iowa does not pay all or part of your claim and you think the service should be covered, you or your representative can ask for a full and fair review of that claim. To file for a review, submit a request within 180 days of receiving the notice from Delta Dental of Iowa, including the reason why you disagree with our claim decision, documents, records and any other information related to the claim. Include your name, patient’s name and your identification number on all documents.

**ADDITIONAL INFORMATION**
You may send us additional information in writing up to 31 days after you have sent in the original request. After that time, we will make the final decision on the claim based on the information we have in your file.

**DELTA DENTAL’S REPLY**
Within 30 days of receiving your request, Delta Dental of Iowa will send you our written decision and indicate any action we have taken. However, when special circumstances arise, Delta Dental of Iowa may require 60 days. Delta Dental of Iowa will notify you in the event we require additional days.
REVIEWING RECORDS
Upon your request, Delta Dental of Iowa will provide you free of charge, access to and copies of all documents, records and other information relevant to your claim for benefits. You can review records that deal with your request from 8 a.m. to 4:30 p.m., Central Standard Time, Monday through Friday, at Delta Dental of Iowa’s Johnston, Iowa location. TYPES OF COVERAGE

There are different categories of coverage you may hold under this Certificate:
- With *single coverage*, you are the only one covered.
- With *employee and spouse coverage*, you and your eligible spouse are covered.
With employee and child(ren) coverage, you and your eligible child(ren) are covered.

With family coverage, you, your eligible spouse, and each of your eligible children are covered. Each eligible Covered Person must be listed on your dental application for coverage or added later as a new eligible Covered Person.

An eligible spouse can be:
- the person married to you under applicable state law or;
- your common law partner or a same or opposite sex domestic partner. See The University of Iowa Benefits Office for more information.

An eligible child can be your natural child, a child placed with you for adoption or a legally adopted child, a child for whom you have legal guardianship, a stepchild, or a foster child. Eligible children must meet at least one of the following requirements:
- The child is under age 26.
- The child is age 26 or older, not married, and a full-time student. For an eligible child to be considered a full-time student they must be enrolled in an accredited institution of higher learning, such as a college, university, nursing, or trade school, and carry enough hours to be classified by the institution as full-time. Full-time student status continues during regularly scheduled school vacation periods, and during absence from class in which enrolled for up to four months due to a physical or mental disability. The disability must be substantiated by a written statement from a physician.
- The child is totally and permanently disabled, either physically or mentally. If this is the case, the disability must have existed while the child was an eligible covered child.

A child who has been placed in your home for the purpose of adoption or who you have adopted shall be eligible for coverage as of the date of placement for adoption or as of the date of actual adoption, whichever occurs first.
QUALIFIED MEDICAL CHILD SUPPORT ORDER (QMCSO)
If you have a child and The University of Iowa receives a Medical Child Support Order recognizing the child’s right to enroll in this benefit plan, The University of Iowa will promptly notify both you and the child that the order has been received. The University of Iowa also will inform you and the child of The University of Iowa’s procedures for determining whether the order is a Qualified Medical Child Support Order. You may obtain, without charge, a copy of QMCSO procedures from The University of Iowa.

WHEN COVERAGE ENDS
Your eligibility for coverage will terminate at the end of the month for any of these reasons:
- you become unemployed.
- you become ineligible for coverage under this Certificate. See Coverage Changes later in this section.
- The University of Iowa decides to discontinue coverage or replace this coverage.
- We decide to terminate coverage of all similar Certificates by giving written notice to The University of Iowa 30 days prior to termination.

Your coverage will end if any of the following occurs:
- You use this Certificate fraudulently or you fraudulently misrepresent or conceal material facts in your application. If this happens, we will recover any claim payments we made, minus any premiums paid.
- You or The University of Iowa fail to make payments to us when due.

Authority to Terminate, Amend, or Modify
The University of Iowa has the authority to terminate, amend or modify the coverage described in this Certificate at any time. Any amendment or modification will be in writing and will be as binding as this Certificate. If your contract is terminated, you may not receive benefits.

CONTINUED COVERAGE (COBRA)
There are some federal and state laws that may affect your coverage with us. These laws apply to continuing your coverage when you are no longer eligible for group coverage.
Coverage Continuation Under Federal Law — COBRA

The Consolidated Omnibus Budget Reconciliation Act (COBRA) applies to employers with 20 or more employees. COBRA entitles you, your eligible spouse, and your eligible children to a continuation of coverage under this Certificate if coverage is lost due to any of the following qualifying events:

■ Death of the employee covered under this Certificate.
■ Termination of employment for reasons other than gross misconduct.
■ A reduction in hours causing loss of coverage.
■ Divorce or legal separation.
■ The employee covered under this Certificate becomes entitled to Medicare.
■ Child/Children are no longer considered eligible by our eligibility rules.
■ The employer from whom the covered employee retired files bankruptcy under federal law (in certain cases).

Please note: You, your eligible spouse or your eligible child(ren) are responsible for notifying The University of Iowa of a dissolution of marriage, legal separation or a child losing eligibility status.

If you wish to continue your coverage, you must complete an election form and submit it to The University of Iowa within 60 days of the later of the date:

■ you are no longer covered; or
■ you are notified of the right to elect COBRA continuation coverage.

You will be responsible for paying any premiums to The University of Iowa for the continuation of this Certificate. Depending on how you qualify, you may continue your coverage for up to 18 or 36 months.

If during the period of COBRA coverage, a child is born to you or placed with you for adoption, the child can be covered under COBRA coverage and can have election rights of his or her own.

If you or any other eligible Covered Person(s) who have elected COBRA coverage is determined to be disabled under the Social Security Act during the first 60 days of continuation coverage, your COBRA coverage may continue for up to 29 months. The 29-month period will apply to you, your eligible spouse and/or eligible child(ren) who elected COBRA coverage. You must provide notice of the disability determination to your employer within 60 days after the determination.
If you lose your coverage, contact The University of Iowa Benefits Office. They should help you with any necessary paperwork and let you know the cost of continuing your coverage.

**Length of Coverage under COBRA**

Continuation coverage ends at the earliest of one of these events:

- The last day of the 18-, 29-, or 36-month maximum coverage period, whichever is applicable.
- The first day (including grace periods, if applicable) on which timely payment is not made.
- The date on which The University of Iowa ceases to maintain any group plan (including successor plans).
- The first day on which a beneficiary is actually covered by any other group plan. However, if the new group plan contains an exclusion or limitation relating to any preexisting condition of the beneficiary, then coverage will end on the earlier of the satisfaction of the waiting period for preexisting conditions contained in the new group plan or upon the occurrence of any one of the other events stated in this section.
- The date the qualified beneficiary is entitled to Medicare benefits.

**COVERAGE CHANGES**

**EVENTS CHANGING COVERAGE**

Certain events may require you to change who is covered by this Certificate. These events include:

- **Active Duty in the Military** of a child or spouse
- **Appointment as a Legal Guardian** of a child
- **Birth or Adoption** of a child
- **Care of a Foster Child** (when placed in your home by an approved agency)
- **Completion of Full-time Schooling** of an eligible child age 26 or older
- **Death**
- **Divorce, Annulment, or Legal Separation**
- **Eligible Child** (who is not a full-time student or permanently disabled) reaches age 26
- **Exhaustion of COBRA Coverage**
- **Marriage**
- **Spouse or Child Loses Eligibility for Qualifying Dental Coverage** or employer or group sponsor ceases contribution to qualifying dental coverage. In this case, your eligible spouse and any eligible children previously covered under the prior qualifying dental coverage are eligible for coverage under this Certificate.
NOTIFICATION OF CHANGE
You must notify The University of Iowa Benefits Offices within 31 days of the date of the event that changes the status of your eligibility except birth or adoption of a child. The University of Iowa must be notified within 60 days of the date of the event that changes the status of your eligibility for births or adoptions. If a change to your eligibility is not made within 31 days of an event (except birth or adoption of a child which is 60 days), the person(s) affected may lose important coverage.
