RE: UI Policies for Visiting Political Candidates & Elected Officials

DATE: 8/16/2018

Political candidates and elected officials are welcome on the University of Iowa campus. Candidate and campaign activities, political events, and rallies (hereafter “events”) that occur on the University of Iowa campus, including the Health Sciences campus and University of Iowa Hospitals and Clinics (UIHC), must be sponsored by a University of Iowa registered student organization.

UI Departments and units are not allowed to sponsor political candidates or elected officials.

To begin the sponsorship process of political candidates or elected officials, contact or visit Iowa Memorial Union (IMU) Event Services, Room 159 IMU, at 319/335-3114 or the Office of the Dean of Students, Room 135 IMU, at 319/335-1162. The Office of Governmental Relations (319/335-0553) is also available to answer questions.

Information on registered student organizations, including contact names and phone numbers, is available from the Center for Student Involvement & Leadership, 157 IMU, or by accessing the registered student organization database: http://uiowa.orgsync.com.

Through the sponsorship of a registered student organization, political candidates or elected officials may rent space in the IMU and in designated areas in other campus buildings. All requests must begin with IMU Event Services, Room 159 (319/335-3114). Rental fees and other costs, including event security, must be paid in advance (see Costs section below). Details about specific costs are available from IMU Event Services at 319/335-3114 or http://imu.uiowa.edu/services/campus-event-services/.

Different fee structures are applied to spaces rented through Recreational Services and Intercollegiate Athletics. Designated locations (see below) may not be available on a specific date or time dependent on University scheduled activities (e.g., academic course schedule, athletic events, other University programs) and all locations must be approved by University Administration and Public Safety. Intercollegiate Athletic venues (except Carver Hawkeye Arena), academic classrooms and auditoria, and the Old Capitol Museum are not designated campus locations for political candidates or elected officials.

The following are designated locations (if available and approved by University Administration and Public Safety):

- Carver Hawkeye Arena
- Field House: Main Deck & South Gym
- Kautz Plaza & Pentacrest
- Iowa Memorial Union: Main Lounge, Second Floor Ballroom, Meeting Rooms, Hubbard Park, & River Amphitheatre
- University Club (must be sponsored by a member of the University Club and the event can occur at the discretion of University Club officials)
Each location mentioned above, along with other locations on campus, have an established maximum occupancy load, which is the maximum number of people who can attend the event. This number is based on the size of the space and how it will be used. Placement of equipment and items supporting the event (e.g., staging, press risers, security barriers), along with the available exits from the location may impact the total number of people allowed to attend. It is the duty of the UI Fire Safety Coordinator to establish a safe occupant load and to enforce the pre-determined occupant load during the activity or rally.

The UI Fire Safety Coordinator has the ultimate authority and final decision on the number of people allowed to attend any event. Each event is evaluated on a case-by-case basis with regard to potential risks to personal safety, University property or facility security; to promote safety; and to protect the rights of all members of the campus community. UI Public Safety, in consultation with the Office of the Dean of Students and IMU Event Services reserves the right to relocate an event to a particular location or deny the event in its entirety. This right is reserved if there are anticipated security challenges and/or safety concerns. The safety of the campus community is the utmost priority for all events.

Events sponsored by a UI registered student organization that feature a political candidate or elected official may require the Critical Incident Management Plan regarding Civil Protest to be activated. Those policies may be found in this document as policies related to spontaneous, non-sponsored protest and at: https://uiowa.edu/critical-incident-plan/civil-protest. The University will provide a designated protest area for those with opposing view points to protest during events that feature a political candidate or elected official. This designated protest area will be monitored by UI Administration and UI Public Safety and will be advertised as a protest location to the public.

Registered student organizations may sponsor a political candidate or elected official event on the UI Pentacrest or Kautz Plaza. These requests must be submitted to Event Services, Iowa Memorial Union, Room 159 IMU (319/335-3114) and follow all UI outdoor space policies. All events are subject to regulations, including restrictions on time, place, and the use of amplified sound. A student member of the sponsoring registered student organization must make the reservation. Events are prohibited on the steps of the Old Capitol building.

It is the responsibility of the Associate Dean of Students and Executive Director of the IMU or Associate Director of the IMU to alert UI officials and departments of political candidates or elected officials events sponsored by registered student organizations.
