

Do you have a **ReadySet** account?

AWESOME!

You'll find your Flu Campaign Info on your ReadySet account. You can login with your Hawk ID and password at: bit.ly/MyReadySet. You can opt in or out, and complete your pre-vaccination questions (if you opt in).

WHAT IS READYSET?

ReadySet is your electronic employee health record. By federal law, it is separate from Epic. You must have a ReadySet account to participate in the Flu Campaign – whether or not you choose to receive the vaccine.

YOU NEED ONE!

Your screen should look like this

1. Type **2147** in the *Access/Org Code* space
2. Choose **Annual Flu Campaign** from the *Program Type* menu
3. Type the code shown, and click **Next**

Your next screen

Fill in all of the blanks
Your *Employee ID* is the **8-digit number** that begins with **0** on your employee badge

Go to **uiowa.readysetsecure.com**.
Click on **“New User? Click Here to Begin.”**

KEEP GOING!

- 3 Check the results when complete.
Make changes as needed.

Choose your **user name, password** and **security questions**.
Then choose **Agree** and enter site.

YOU DID IT!

You now have a ReadySet account!

You can now find your Flu Campaign info on your ReadySet account. You can opt in or out, and complete your pre-vaccination questions (if you opt in).
