CHANGING MEDICINE. CHANGING LIVES.®

Please complete: Your 2021 Conflict of Interest disclosure

As part of an annual process, you're required to complete an online "Annual Disclosure of Outside Professional Activities and Interests" through the eCOI electronic disclosure system.

This fulfills university reporting obligations of faculty, staff, and student employees to ensure that our academic, health care, business, research, and teaching endeavors are free of potential or actual conflicts of interest.

You'll find more information about next steps below. Thank you in advance for your support.

Brooks Jackson, MD, MBA

Vice President for Medical Affairs and the Tyrone D. Artz Dean, Carver College of Medicine

Please complete by April 30, 2021. Even if you have nothing to disclose, you still need to finalize the certification. If you've already submitted a disclosure in 2021, no additional action is required. For information about our Conflict of Interest and Conflict of Commitment Policy, see: uihc.org/conflict-interest.
