

## Neighborhood NESTS

### Mission Statement:

Created as a response to COVID-related challenges facing under-served learners and their families, Nurturing Every Student Together Safely (NESTS) is a collaborative effort to reduce the burden of systemic inequities by providing educational and social programming and services in interdisciplinary and innovative ways.

## Summer Sponsorships

Covid has impacted all aspects of life. In effort to provide young people opportunities to participate in meaningful and important summer programming after a school year unlike any before NESTS is proud to offer Summer Sponsorships. These funds are available to Johnson County K-12 Students in families with a household income under the 250% FPL.
