ELIGIBILITY & COVERAGE INFORMATION

ELIGIBILITY

In general, regular faculty and staff with at least a 50% appointment and their eligible dependents may participate in the benefits described in this guide. Note that there may be **tax implications** when covering adult children who are over the age of 26.

[LEARN MORE](#) ▶

INFORMATION AND DOCUMENTATION REQUIREMENTS

- ▶ If you enroll new family members, some **basic information is required**.
- ▶ Following your enrollment, you will be emailed by University Benefits and required to confirm the dependents you have enrolled meet the eligibility guidelines by providing **documentation to verify eligibility**. Failure to verify a newly added dependent will result in removal from health and/or dental benefit plans.

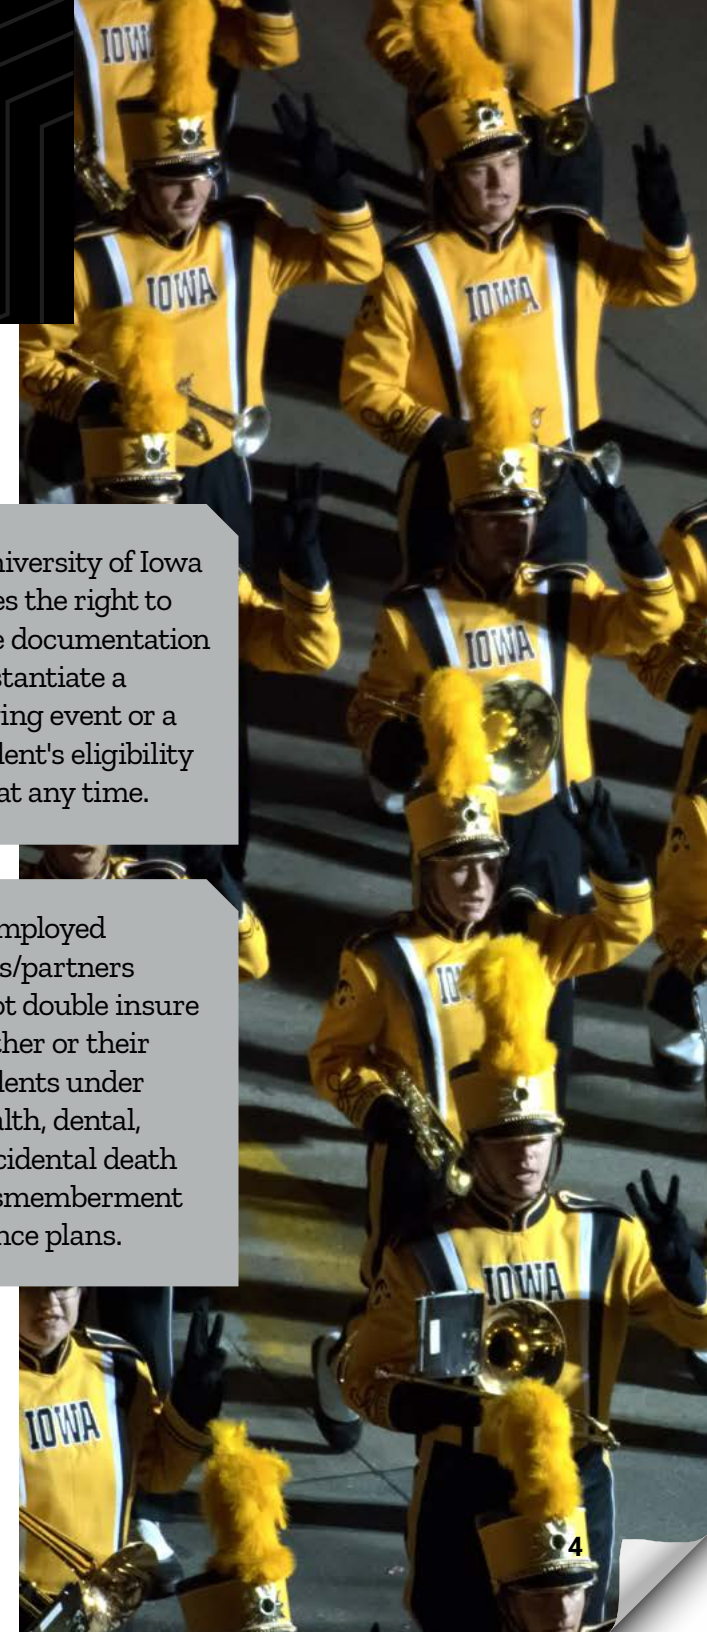

QUALIFYING EVENTS

If you miss your enrollment deadline, you cannot enroll in benefits, change your benefits or add or remove dependents without a qualifying event: a major life change that makes you eligible to enroll in or update your benefits. Without a qualifying event, you will have to wait for the next annual enrollment period to elect coverage. **[LEARN MORE](#)** ▶

The University of Iowa reserves the right to require documentation to substantiate a qualifying event or a dependent's eligibility status at any time.

Dual-employed spouses/partners may not double insure each other or their dependents under the health, dental, and accidental death and dismemberment insurance plans.

UNIVERSITY CREDITS

Benefits-eligible faculty, professional & scientific and merit staff are eligible to receive a variety of University Credits based on the benefits you elect. House staff and temporary staff do not qualify for University Credits.

GENERAL BENEFIT CREDITS

Each benefits-eligible employee receives **\$90 per month in General Benefit Credits**. These credits may be used to reduce the cost of any pre-tax benefit, or to fund a flexible spending account. Unused credits automatically roll into a health care flexible spending account, or you can designate the funds to a dependent care flexible spending account during enrollment.

University Credits will appear under the *Earnings* section of your paycheck.

SHARED SAVINGS CREDITS

Depending on your benefit choices, you may be eligible for additional benefit credits.

- ▶ **Waiving university-offered dental insurance:** If you waive dental insurance and are not enrolled in the University of Iowa dental insurance plan, you will receive a **Shared Savings Credit**.
- ▶ **Electing \$50,000 in group life insurance:** If you elect \$50,000 in life insurance — and your base salary is greater than \$25,000 — you will receive a **Shared Savings Credit**.

ADDITIONAL INFORMATION

- ▶ University Credits will appear under the Earnings section of your paycheck. Scroll to the bottom of our **General and Shared Savings Credit page** to see paycheck examples.
- ▶ You are not taxed on credits.
- ▶ Credits are not paid out as cash.
- ▶ If you waive health insurance through the university, **you must take action** during enrollment to receive the maximum available University Credits in your FSA.
