KNOW BEFORE YOU ENROLL

There's a lot to love about the University of Iowa; it's where great minds come to work, grow and thrive. And there's a lot to love about the University of Iowa's world-class benefits package, which includes comprehensive health and dental coverage, life insurance, flexible spending accounts, and more. Before you enroll, here is some important information you need to know.

Key deadlines & dates:

- **1st OF THE MONTH:** You are eligible for benefits the first of the month following the date you were hired.
- **30 DAYS:** You must enroll in your new benefits within 30 calendar days of your hire date.
- **60 DAYS:** You must enroll in your retirement plan within 60 calendar days of your hire date. This is an irrevocable decision.
- **1–2 BUSINESS DAYS:** You will receive a confirmation email within 24–48 hours of submitting your benefit choices. You will then have five days from your confirmation statement release date to make any necessary adjustments.

Employees hired toward the end of a month: Our system temporarily shuts down for a few days at the end of each month to run payroll. During this time, you may not have access to your new hire event in Employee Self Service or receive your confirmation statement within the typical two business days.

Before you choose:

Before making your benefit elections, be sure to review this guide. It outlines each plan and the costs per month. It will also walk you through the decision-making and enrollment processes step-by-step.

If you don't enroll:

If you do not meet the enrollment dates and deadlines, you will not be able to enroll in benefits until the next annual enrollment period (usually in late fall) unless you have a qualifying event. Learn more about qualifying events on page 5.

QUESTIONS?

Your Benefits Office is here to help. Call 319-335-2676 or 877-830-4001 during business hours, or email benefits@uiowa.edu. You can also visit our website at hr.uiowa.edu/benefits to learn more about your benefit options and get help selecting the plans that are right for you.

ELIGIBILITY & COVERAGE INFORMATION

ELIGIBILITY

In general, regular faculty and staff with at least a 50% appointment and their eligible dependents may participate in the benefits described in this guide. Note that there may be tax implications when covering adult children who are over the age of 26. Visit hr.uiowa.edu/benefits/health-insurance/employee-health-plans/taxable-coverage-adult-children-ui-health-plans to learn more or visit hr.uiowa.edu/benefits/eligibility-enrollment-changes to learn more about eligibility requirements.

The University of Iowa reserves the right to require documentation to substantiate a qualifying event or a dependent's eligibility status at any time.

Eligible dependents:

- Same- or opposite-sex legal spouse
- Same- or opposite-sex common-law spouse (affidavit required)
- Same- or opposite-sex domestic partner (affidavit required)
- Child up to the end of the year in which they turn age 26
- Child age 26 or older who is enrolled in an accredited educational institution as a full-time student
- Unmarried child who is deemed disabled. The disability must have existed before the child turned 26 or while the child was a full-time student, and they must meet the following criteria:
 - Claimed as a dependent on your tax return; and
 - Enrolled in and receiving Medicare benefits due to disability; or
 - Enrolled in and receiving Social Security benefits due to disability.

Children you may cover:

A child is defined as a:

- Natural child
- Stepchild or domestic partner's child
- Legally adopted child or child placed in your home for the purpose of adoption
- Foster child
- Child for whom you have legal guardianship
- Natural child for whom a court orders coverage

Eligible children may be covered through Dec. 31 of the year in which they reach age 26 without tax implications. Coverage for full-time students or disabled children can continue as long as they continue in that status; however, there are tax implications for those who do not qualify as tax dependents per IRS rules.

INFORMATION AND DOCUMENTATION REQUIREMENTS

If you enroll new family members, some basic information is required: names, dates of birth, and Social Security numbers.

Following your enrollment, you will be emailed by University Benefits and required to confirm the dependents you have enrolled meet the eligibility guidelines by providing

documentation to verify eligibility (birth certificates, marriage certificates, and/or tax forms). Failure to verify a newly added dependent will result in removal from health and/or dental benefit plans.

QUALIFYING EVENTS

If you miss your enrollment deadline, you cannot enroll in benefits, change your benefits or add or remove dependents without a qualifying event: a major life change that makes you eligible to enroll in or update your benefits. Without a qualifying event, you will have to wait for the next annual enrollment period to elect coverage. Visit hr.uiowa.edu/benefits/changing-benefits/qualifying-events to learn more.

Qualifying events that make you eligible to update your coverage:

- Birth/adoption
- Death of a spouse/dependent/domestic partner
- Marriage/domestic partner affidavit
- Divorce/legal separation/termination of the domestic partner agreement
- Gain or loss of health/dental insurance coverage
- Entitlement to, or loss of eligibility for, Medicare/Medicaid/SCHIP for employee or dependent
- Approved unpaid leave of absence of more than 30 days
- Dependent over age 26 no longer eligible
- Dependent over age 26 returning to school full time

Additional events may allow for changes to a dependent care flexible spending account.

The University of Iowa reserves the right to require documentation to substantiate a qualifying event or a dependent's eligibility status at any time.

Dual-employed spouses/partners may not double insure each other or their dependents under the health, dental, and accidental death and dismemberment insurance plans.

UNIVERSITY CREDITS

Benefits-eligible faculty, professional & scientific, and merit staff may receive University Credits based on the benefits they elect. House staff and temporary staff do not qualify for University Credits.

GENERAL BENEFIT CREDITS

Each benefits-eligible employee receives \$90 per month in General Benefit Credits (up to \$1,080 per year). These credits may be used to reduce the cost of any pre-tax benefit or to fund a flexible spending account. Unused credits automatically roll into a health care flexible spending account, or you can designate the funds to a dependent care flexible spending account during enrollment.

SHARED SAVINGS CREDITS

Depending on your benefit choices, you may be eligible for additional benefit credits.

- Waiving university-offered dental insurance: If you waive dental insurance and are not enrolled in the University of Iowa dental insurance plan, you will receive a Shared Savings Credit (\$25 per month).
- Electing \$50,000 in group life insurance: If you elect \$50,000 in life insurance – and your base salary is greater than \$25,000 – you will receive a Shared Savings Credit (\$40 per month).

ADDITIONAL INFORMATION

- University Credits will appear under the Earnings section of your paycheck. Scroll to the bottom of our General and Shared Savings Credit webpage to see paycheck examples at hr.uiowa.edu/benefits/faculty-and-staff-benefits/general-and-shared-savings-credits.
- You are not taxed on credits.
- Credits are not paid out as cash.
- If you waive health insurance through the university, you must take action during enrollment to receive the maximum available University Credits in your FSA. To receive full credits, you must log in and answer the minimum value coverage question. If you are not covered under another health plan that provides minimum value coverage, the maximum amount of University Credits you can receive in your health care FSA is \$500 for the entire calendar year. To confirm your plan meets the minimum value standard, check with your plan administrator.

HEALTH INSURANCE

Administered by Wellmark® Blue Cross® and Blue Shield®

You have the choice of two health plans: UISelect and UIChoice. You'll pay considerably less for care on both plans if you choose doctors and hospitals in a lower provider level. (For example, all UI health care providers are Level 1, making UIHC your most affordable option.) You do not need to pick a provider level when selecting coverage.

To locate in-network providers near you, visit [wellmark.com/finder](https://www.wellmark.com/finder).

UISELECT

This plan may be a good option if you and your family get your health care in the state of Iowa. If you are traveling out of state, only emergency care and care from Doctor On Demand® are covered.

- \$0 EMPLOYEE
- \$311 EMPLOYEE + SPOUSE
- \$254 EMPLOYEE + CHILDREN
- \$333 FAMILY
- \$0 DOUBLE SPOUSE + FAMILY

LEVEL 1: Includes University of Iowa Hospital and affiliated clinics, UI Urgent Care, UI QuickCare, Washington County Hospital and Clinics, and The Iowa Clinic in Des Moines.

LEVEL 2: Providers from the Blue Access® network. Locally, Level 2 includes Mercy Hospital and most providers in and around Iowa City who are not in Level 1.

LEVEL 3: Not covered. Exceptions include emergencies or care with a Wellmark-approved out-of-network referral. (Dependent children attending college, long-term travelers, and families living apart may be covered through guest membership.)

UICHOICE

With this plan, you can see health care providers in Iowa and across the nation. However, you'll pay less for care when you choose in-state doctors and hospitals on lower levels.

- \$81 EMPLOYEE
- \$389 EMPLOYEE + SPOUSE
- \$317 EMPLOYEE + CHILDREN
- \$416 FAMILY
- \$208 DOUBLE SPOUSE + FAMILY

LEVEL 1: Includes University of Iowa Hospital and affiliated clinics, UI Urgent Care, UI QuickCare, Washington County Hospital and Clinics, and The Iowa Clinic in Des Moines.

LEVEL 2: Providers from the Blue Choice® network. Locally, Level 2 includes Mercy Hospital and most providers in and around Iowa City who are not in Level 1.

This program does not cost anything and is automatic for anyone enrolled under the UI dental insurance for a full calendar year.

DELTA DENTAL ID CARDS: You will receive your Delta Dental ID card in the mail approximately two weeks after your enrollment is processed. There is no copay or deductible, and the university pays 100% of the treatment costs, up to the \$2,000 annual maximum. To learn more about the program, visit hr.uiowa.edu/benefits and, under Dental Insurance, look for the Student Dental Clinics Incentive.

FLEXIBLE SPENDING ACCOUNTS (FSAs)

With a flexible spending account (FSA), you can set aside pre-tax dollars to pay for certain qualified expenses. You can choose to contribute to a health care FSA, a dependent care FSA, or both. Be sure to estimate your expenses carefully, as changes cannot be made unless you have a qualifying event.

HEALTH CARE FSA:

Contribute up to \$2,850 annually per employee. This benefit allows you to be reimbursed for qualified medical expenses.

DEPENDENT CARE FSA:

Contribute up to \$5,000 annually per household. If you are married and filing separately, you may contribute up to \$2,500 each. This benefit allows you to be reimbursed for eligible child and adult-dependent care expenses. This includes but is not limited to: daycare, preschool, and afterschool care for children under 13, and daytime and elder care for adults with disabilities.

IMPORTANT THINGS TO KNOW ABOUT FSAs

- FSAs are "use it or lose it" accounts. Funds must be used for qualified expenses incurred between Jan. 1–Dec. 31, 2023.
- You may file for reimbursement at any time during the year but no later than April 30, 2024. Any money remaining in the account after the deadline is forfeited.
- Flexible spending account elections do not carry over from year to year. IRS regulations require you to enroll each year.
- You can review the HealthEquity® FSA qualified eligible expenses here:
 - For health care expenses info visit healthequity.com/fsa-qme.
 - Dependent care expenses visit healthequity.com/dcfsa-qme.
- For more information, please visit learn.healthequity.com/uiowafsa or contact HealthEquity at 877-924-3967.

If you enroll in an FSA, you will receive a [Quick Start Guide](#) from HealthEquity with instructions to access and manage your participant account. Health care FSA plan participants will receive a mailing with a HealthEquity Visa® debit card. This mailing will be sent to the home address on file with University Benefits. Ensure your address is up to date in Employee Self Service to avoid delays.

LIFE INSURANCE

Administered by Principal® Financial Group

Your benefits include a group life insurance plan paid for by the university. You also have the option to purchase additional term life insurance for yourself and your dependents.

Visit hr.uiowa.edu/benefits/employee-benefits/regular-faculty-staff-benefits/life-accident-disability-insurance to learn more.

UNIVERSITY-PAID GROUP LIFE INSURANCE

This required benefit provides coverage options for regular faculty and staff members who hold a 50% time or greater appointment. The university funds 2 times your salary, up to the maximum coverage amount of \$400,000.

Regular benefit-eligible employees may enroll in the following options:

- Individuals whose salary is over \$25,000 may elect \$50,000 only (this includes a \$40 shared savings credit)
- Two times your salary: The university covers this option and will give you credits to cover the cost
- Two and half times your salary
- Three times your salary

Please note: House staff employees are only eligible for the two times salary option.

VOLUNTARY TERM LIFE INSURANCE FOR EMPLOYEES

This voluntary benefit can be purchased to complement any group life insurance option. You can select from a variety of coverage amounts; maximum coverage is \$1,000,000. Rates increase at ages 40, 50, and 60.

VOLUNTARY TERM LIFE INSURANCE FOR DEPENDENTS

Coverage for spouses, domestic partners, and dependents is also available if you elect coverage for yourself under the voluntary term life insurance benefit. Your dependent's benefit amount cannot be more than 100% of your own. For example, if your salary is \$40,000 and you elect ½ times salary in voluntary term life for yourself, you may only elect \$20,000 or less in coverage for your spouse.

LIFE INSURANCE BENEFICIARIES

You will elect your beneficiaries when you enroll in life insurance, and you may change your beneficiaries at any time on the Employee Self Service site. Any change of beneficiary will not become effective until acknowledged and recorded by the university. For estate planning purposes, the designation of beneficiaries can be assigned to another party. The primary beneficiary for the spouse/domestic partner/dependent term life insurance will always be the employee. The contingent beneficiary will always be the insured's estate.

Please note that the University recommends that your primary beneficiary be age 18 or older. If you only have a minor beneficiary, please contact Benefits to fill out an additional form.

RETIREMENT BENEFITS

Every staff member (except house staff, fellows, adjunct faculty, and students) with employment expected to last six months or more must participate in a retirement program. Eligible staff members may choose to participate in either Iowa Public Employees Retirement System (IPERSSM) or in the University Funded Retirement Plan through TIAA®. Get more information and access a side-by-side comparison of the plans at hr.uiowa.edu/benefits/retirement/mandatory-retirement-plan-options/retirement-plan-comparisons.

CHOOSE FROM TWO OPTIONS:

- **IPERS PROGRAM:** The IPERS retirement plan is a defined benefit plan. Retirement income is contingent on a formula based on your years of service and salary earned. You must elect beneficiaries on the IPERS website. For more information on the IPERS program, please visit ipers.org or contact IPERS directly at 800-622-3849.
- **UNIVERSITY FUNDED RETIREMENT PLAN THROUGH TIAA:** The University Funded Retirement Plan is a defined contribution plan. Retirement income is contingent upon your individual elected investments and returns. If you elect to participate with TIAA, you must complete a TIAA beneficiary designation online at the TIAA website. While there, you can also learn about the investment options available and allocate your retirement funds. If you do not make an investment selection, your funds will be automatically deposited into a lifecycle fund based on your expected year of retirement based on your age. For further information on TIAA, please visit their website at tiao.org/public/tcm/uiowa/home or contact the Coralville office at 866-846-2977.

OTHER RETIREMENT SAVINGS OPPORTUNITIES

Staff members have the option to make additional pre-tax or after-tax contributions into a retirement account. Participation in these programs is voluntary, and the university does not contribute. Programs include:

- 457(b) Deferred Compensation Program from TIAA
- 403(b) Voluntary Retirement Savings Program from multiple vendors, including TIAA

In addition, these products cannot be included in the flexible benefits program, and you

cannot use spending account funds or university credits to pay for the premiums. You may direct any questions about voluntary insurance products to the individual program administrators.

BENEFITS ANNUAL FEDERAL NOTICES

Federal law requires the university to broadly disseminate certain policies to faculty, staff, and students on an annual basis.

University Benefits is committed to being environmentally friendly whenever possible while still accomplishing our objectives. The federal government has approved email as a method for providing notice of the policies listed below.

This page presents information relating to policies crucial to the mission of the university. Please review the information below, familiarize yourself with these important policies, and use this page for future reference.

COBRA CONTINUATION COVERAGE RIGHTS

You are receiving this notice because you are covered under a group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it. When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA Continuation Coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the University Benefits Office.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and in some cases lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse*, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced to a point you no longer qualify for benefits, or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse* of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse or domestic partner* dies;
- Your spouse's or domestic partner's* hours of employment are reduced to a point you no longer qualify for benefits;
- Your spouse's or domestic partner's* employment ends for any reason other than his or her gross misconduct;
- Your spouse or domestic partner* becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse or domestic partner*.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happens:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced to a point you no longer qualify for benefits;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the plan as a "dependent child."

When is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the University Benefits Office has been notified that a qualifying event has occurred.

You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the employee and spouse* or a dependent child's losing eligibility for coverage as a dependent child), you must notify the University Benefits Office within 60 days after the qualifying event occurs. You must provide this notice to the University Benefits Office, 120 USB, Iowa City, IA 52242-1911 (319-335-2676 or toll free 877- 830-4001) or by email at benefits@uiowa.edu.

How is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses*, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts 18 months due to employment termination or reduction of hours of work. Certain qualifying events or a second qualifying event during the initial period of coverage may permit a beneficiary to receive COBRA continuation coverage for up to a total of 36 months.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended.

1. Disability extension of 18-month period of continuation coverage; If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the University Benefits Office in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage.
2. Second qualifying event extension of 18-month period of continuation coverage; If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the University Benefits Office within 30 days of the event. This extension may be available to the spouse and any dependent children receiving continuation coverage if the former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated, or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, Children's Health Insurance Program (CHIP), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at HealthCare.gov.

Can I enroll in Medicare instead of COBRA after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period¹ to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

CREDITABLE PRESCRIPTION DRUG COVERAGE NOTICE

Your Prescription Drug Coverage and Medicare

Please read this carefully and keep it where you can find it. This web page has information about your current prescription drug coverage with The University of Iowa and prescription drug coverage available for people with

Medicare. It also explains the options you have under Medicare prescription drug coverage and can help you decide whether or not you want to enroll. At the end of this notice is information where you can find more information to help you to make decisions about your prescription drug coverage.

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare through Medicare prescription drug plans and Medicare Advantage plans that offer prescription drug coverage. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The University of Iowa has determined that the prescription drug coverage offered by The University of Iowa is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage will pay and is considered Creditable Coverage.
3. Because your University of Iowa coverage is on average at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay extra if you later decide to enroll in Medicare prescription drug coverage.

Creditable Prescription Drug Coverage Notice

Individuals can enroll in a Medicare prescription drug plan when they first become eligible for Medicare and each year from October 15th through December 7th. Beneficiaries leaving an employer coverage plan may be eligible for a special enrollment period to sign up for a Medicare Prescription Drug Plan.

You should compare your current coverage, including which drugs are covered, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area.

If you do decide to enroll in a Medicare prescription drug plan and drop your University of Iowa drug coverage, be aware that you and your dependents will not be able to get back this coverage. What this means is, that you will automatically lose both your prescription drug and your health insurance coverage with The University of Iowa.

Please contact us for more information about what happens to your coverage if you enroll in a Medicare prescription drug plan.

You should also know that if you drop or lose your coverage with The University of Iowa and don't enroll in Medicare prescription drug coverage after your current coverage ends, you may pay more (a penalty) to enroll in a Medicare prescription drug coverage later.

If you go 63 days or longer without prescription drugs coverage that is at least as good as Medicare prescription drug coverage, your monthly premium will go up at least 1% per month for every month you do not have that coverage. For example, if you go 19 months without coverage, your premium will always be at least 19% higher than what many other people pay. You will have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to enroll.

Note: You will receive notice annually and at other times in the future such as before the next period you can enroll in Medicare prescription drug coverage, and if this coverage through The University of Iowa changes. You may also request a copy.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA) PRIVACY NOTICE

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Your Information. Your Rights. Our Responsibilities.

Purpose of this Privacy Notice

The University of Iowa Benefits Office ("Benefits Office" or "we") administers group health plans for employees, retirees, and students on behalf of the University of Iowa ("University"). The Benefits Office is required by the Health Insurance Portability and Accountability Act ("HIPAA") and related rules to provide you with a written notice of the privacy protections afforded to you by federal law ("Notice of Privacy Practices" or "Notice") explaining how the Benefits Office uses and discloses your health information to process your health benefit claims, assist with your treatment and conduct its business operations. Participants in the group health plans sponsored by the University may also receive a Notice of Privacy Practices from the group health plans. A complete listing of our current group health plans subject to this notification requirement is available on our website at hr.uiowa.edu/benefits/benefits-z/benefits-overview-group.

Who Will Follow This Notice?

This Notice describes the privacy policy of the Benefits Office in its role as administrator of your health plan. The privacy policy will be followed by:

- All employees of the Benefits Office
- University of Iowa Departments and their employees that provide support to the Benefits Office, but only to the minimum extent necessary to perform their jobs. Such departments may include Data Processing, Accounts Receivable, Internal Audit, and Risk Management.
- Business Associates: External individuals or companies hired by the group health plans or the University under special contracts (Business Associate Agreements) to perform certain services on behalf of the plan or the University. These special contracts make sure the Business Associate maintains confidentiality and follows all of the federal and state privacy rules.

Commitment of the University

We, acting on behalf of the University as the Plan Sponsor, may receive your health information from the group health plans because we have agreed to the following:

- We will use your health information as needed to carry out our responsibilities as the Plan Sponsor of the group health plans, provided such uses and disclosures are consistent with the requirements of HIPAA.
- We will not use or further disclose any of your health information except as permitted or required to carry out our responsibilities as Plan Sponsor.
- We will require our Business Associates, including subcontractors or agents who assist us in plan administration, and receive health information, to agree to the same restrictions, conditions and protections that we follow with respect to such information.
- We will not use or disclose your health information obtained as the Plan Sponsor, for employment related actions and decisions, or in connection with any other benefit or employee benefit plan of the University.
- We will, if feasible, return or destroy all health information received from the group health plans that we maintain in any form, and we will not retain copies of such information when no longer needed for the purpose for which it was disclosed. If destruction or return is not feasible, we will limit any further uses of the information to those purposes that make the return or destruction infeasible.

While any employee of the University who has a need to access or use health information to assist the University in carrying out its plan administration responsibilities may receive health information, such health information will generally only be disclosed to employees in the Benefits Office and then only the minimum necessary amount will be disclosed. Any University employee accessing or using health information may do so only in carrying out the plan administration functions that the University performs for the group health plans. This includes those University units and employees who perform services for the group health plans as internal business associates. If there is

any non-compliance with the required commitments to the group health plans, the issue of noncompliance will immediately be brought to the attention of the Benefits Office Director and the University of Iowa Privacy Officer for prompt attention.

MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [healthcare.gov](https://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP, and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [insurekidsnow.gov](https://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [askebsa.dol.gov](https://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

WOMEN'S HEALTH AND CANCER RIGHTS ACT

A federal mandate was created by the Women's Health and Cancer Rights Act of 1998. This law requires employer health plans to provide notice of this coverage to all health insurance participants prior to January 1, 1999 and annually thereafter.

Beginning in 1999, Federal Law requires employer health plans to provide coverage for the following services to an individual receiving benefits in connection with a mastectomy:

1. Reconstruction of the breast on which the mastectomy has been performed.
2. Surgery and reconstruction of the other breast to produce a symmetrical appearance.
3. Prosthesis and physical complications for all stages of mastectomy, including lymphedemas (swelling associated with the removal of lymph nodes).

Coverage for breast reconstruction related services is subject to any deductibles and co-insurance amounts that are consistent with those that apply to other benefits under the health plan. All of the State of Iowa and The University of Iowa Health Plans comply with this law.

If you have questions concerning the provisions of the Women's Health and Cancer Rights Act, please feel free to contact the University Benefits Office at (319) 335-2676 or toll-free at 1-877-830-4001.

NEWBORN AND MOTHER'S HEALTH PROTECTION ACT OF 1996

Under the Newborn and Mothers Health Protection Act of 1996, Group Health Plans that provide benefits for childbirth must annually notify all participants of this act. Mothers and their newborn children are permitted to remain in the hospital for 48 hours after a normal delivery or 96 hours following a cesarean section. However, an attending provider may discharge a mother or her newborn earlier than 48 hours, or 96 hours in the case of a cesarean section, if he or she makes this decision in consultation with the mother.

Under the Newborn and Mothers Health Protection Act provisions, the time limits affecting the stay begin at the time of delivery, if the delivery occurs in a hospital. If delivery occurs outside the hospital, the stay begins when the mother or newborn is admitted in connection with the childbirth. Whether the admission is in connection with childbirth is a medical decision to be made by the attending provider. A health plan may not require that a health care provider obtain authorization from the plan for all or part of the hospital stay required under the Newborn and Mothers Health Protection Act provisions. But, the rules do provide that plans may require pre-certification for the entire length of the hospital stay.

Under the Newborn and Mothers Health Protection Act, an attending provider is defined as an individual who is licensed under applicable state law to provide maternity or pediatric care to a mother or newborn child. Therefore, attending providers could include physicians, nurse midwives, and physician's assistants. Attending providers do not include health plans, hospitals, and managed care organizations.

All of the State of Iowa and The University of Iowa health plans follow the above guidelines.

If you have questions concerning the provisions of the Women's Health and Cancer Rights Act or the Newborn and Mothers Health Protection Act, please feel free to contact the University Benefits Office at (319) 335-2676 or toll-free at 1-877-830-4001.
