

Plans administered by Wellmark® Blue Cross® and Blue Shield®

## MEET SELENA

Selena is a single professional living in Cedar Rapids. Health insurance is important to her, but she is always looking for ways to keep her costs in check. Each year, Selena visits her personal doctor for a preventive exam. Beyond that, she only gets care for an occasional illness.

As a UI employee, Selena has the choice of two health plans: **UISelect** or **UIChoice**. Before electing coverage, she registers for [myWellmark®](#), downloads the free app, and reviews her options to make sure she knows which plan is right for her. Follow her journey to learn how the costs add up in real-world scenarios.

### PREVENTIVE VISIT

In January, Selena sees her primary care doctor, a Level 1 UIHC provider, for her annual preventive visit.

### UISELECT

#### Annual deductible

Level 1: \$500 individual / \$1,000 family  
Level 2: \$950 individual / \$1,900 family

#### Annual out-of-pocket maximum (OPM)

Levels 1 & 2 participating providers combined:

Level 1: \$2,300 individual / \$4,000 family  
Level 2: \$3,500 individual / \$7,000 family

#### Annual prescription drug OPM

\$2,000 individual / \$4,000 family

### UICHOICE

#### Annual deductible

Deductible only applies for inpatient hospital care:

Level 1 inpatient care: \$500  
Level 2 inpatient care: \$750  
Level 3 inpatient care: \$1,000

#### Annual out-of-pocket maximum (OPM)

Levels 1, 2 & Level 3 BlueCard®-participating providers combined:

\$2,000 individual / \$4,000 family  
Level 3 non-participating providers:  
\$2,500 individual / \$5,000 family

#### Annual prescription drug OPM

\$1,600 individual / \$3,200 family

With UISelect, preventive care like annual physicals, a separate gynecological exam and pap smear, well-child exams and immunizations is 100% covered at Level 1 and Level 2 providers, so Selena owes nothing.

**Selena pays: \$0**

With UIChoice, preventive care like annual physicals, a separate gynecological exam and pap smear, well-child exams and immunizations is 100% covered at Level 1, Level 2 and participating Level 3 providers, so Selena owes nothing.

**Selena pays: \$0**

### CARE WHILE TRAVELING

Selena and her friends take a road trip to Chicago. While there, she comes down with a nasty cold and has to see a doctor. She is diagnosed with a sinus infection and prescribed a generic antibiotic.

With UISelect, only emergency care and care from [Doctor On Demand®](#) are covered out of state. With Doctor On Demand, covered employees and family members can have \$0 virtual visits and get treatment and prescriptions for common illnesses and injuries.

There's no cost share for the prescription because it's a generic Tier 1 drug.

**Selena pays: \$0**

With UIChoice, Selena has out-of-state coverage, so she goes to a walk-in clinic. The total cost for the visit is \$220. Since the clinic is a Level 3 provider, she is responsible for 50% coinsurance, or \$110.

There's no cost share for the prescription because it's a generic Tier 1 drug.

**Selena pays: \$110**

### HOSPITAL INPATIENT CARE

Over the summer, Selena breaks her ankle and spends a night at UIHC, a Level 1 provider. The total cost for services is \$7,000.

Selena hasn't met her level 1 medical deductible, so she pays the \$500 deductible and 15% coinsurance, or \$975, which applies toward her OPM.

**Selena pays: \$1,475**

With UIChoice, only inpatient care has a deductible. Selena pays the \$500 inpatient deductible, followed by 10% coinsurance, or \$650, which applies toward her OPM.

**Selena pays: \$1,150**

### MEDICAL EQUIPMENT

After Selena is released from the hospital, she gets crutches from a Level 2 provider. The total cost for the crutches is \$400.

Selena has already met her level 1 deductible but not her level 2 medical deductible, so she pays \$400 for the crutches.

**Selena pays: \$400**

Selena does not have a deductible, and she has not yet met her OPM. She pays 20% coinsurance, or \$80, for the crutches.

**Selena pays: \$80**

### SELENA'S TOTAL COSTS

Out-of-pocket costs:

\$1,875 medical services  
+ \$0 prescription drug costs  
**= \$1,875**

\$1,340 medical services  
+ \$0 prescription drug costs  
**= \$1,340**

Employee only premium:

\$0 per month = **\$0**

\$86 per month × 12 months = **\$1,032**

### TOTAL OUT-OF-POCKET COSTS, PLUS PREMIUM:

**\$1,875**

**\$2,372**
