

YEAR IN REVIEW 2024

In addition to supporting the University of Iowa's Strategic Plan 2022-2027, University Human Resources is committed to: attracting the next group of diverse and talented people to work at the university; promoting leadership excellence and development; enhancing workforce operations through agility and innovation; and fostering overall health and well-being for faculty and staff. Our work helps to affirm Iowa as a first-choice destination.

UI Strategic Plan: Holistic Well-Being and Success Staff Success SPARC (Strategic Plan Action and Resource Committee)

- Initiated a phased implementation of the **staff [Employee Value Proposition](#) (EVP)**.
- Developed a **strategic communications framework**. Reviewed and updated highly visible HR content and identified metrics to report quarterly.
- Identified two P&S job families for a **[Student Pathways Internship Program](#)** developing Iowa students into employees.
- **[Mapped student employees](#)** to new categories and developed market compensation structures for their job families.
- Working group successfully **combined elements from the Campus Climate and Working at Iowa surveys**.
- Defined the **five attributes of leadership excellence at Iowa**: Adaptive, Culture Builder, Emotional Intelligence, Integrity, and Intentional Inclusion.
- Completed an inventory of **leadership development opportunities** on campus; identified gaps and opportunities to align offerings.
- **Launched [team coaching services](#)** to campus leaders and teams.
- Explored **new voluntary benefits** for employee groups through a survey. Results reviewed by Shared Governance and FRIC, leading to a future RFQ.
- Promoted expanded use of the P3-funded **external job placement services** for dual career partners of newly relocated faculty and staff.

Well-Being SPARC

- In partnership with the Center for Advancement, outlined **funding plan for UI Food Pantry**.
- In collaboration with Staff Success and Staff Council, **[mental illness](#) is included as a valid reason to use sick leave**.
- Implemented the U.S. Surgeon General's **[5-for-5 Connection Challenge](#)**, encouraging faculty, staff, and students to strengthen their personal relationships.
- Continued development of **peer well-being support models**, including *You Can Help* and *R U OK?*
- Piloted the integration of **well-being considerations** in the Iowa Memorial Union Modernization Project.
- Using feedback from stakeholders, revised the campus definition of well-being: **Well-being at Iowa is fostered by an environment that promotes healthy and purposeful living for all campus members**.

YEAR IN REVIEW 2024
