Questions about claims or specific dental coverage:

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy, disability, genetic information, status as a U.S. veteran, service in the U.S. military, sexual orientation, gender identity, associated preferences, or any other classification that deprives the person of consideration as an individual. For additional information on nondiscrimination policies, contact the Director, Office of Equal Opportunity and Diversity, the University of Iowa, 202 Jessup Hall, Iowa City, Iowa 52242-1316. 319-335-0705 (voice), 319-335-0697 (TDD), diversity@uiowa.edu.
Dear University of Iowa Departing Students:

The University of Iowa is concerned about the potential threat the high cost of health and dental care may pose to your financial well-being. For this reason, the University offers health and dental insurance coverage to individuals who have recently ceased being an enrolled student through the University of Iowa.

The premium for a student-only health policy is $190.00 per month while the dental policy is $25.00 per month. After leaving the University of Iowa, you may continue coverage up to 12 months. You may seek care from any provider you choose. However, if you use an Iowa “Blue Cross & Blue Shield Provider” or Delta Dental provider, your costs will generally be much lower. The University of Iowa Hospitals and Clinics (UIHC), Mercy Hospital, and Family Practice Clinics are Blue Cross & Blue Shield Providers in Iowa City. The College of Dentistry is a Delta Dental provider in Iowa City.

Once you have enrolled in the plan you will be sent a membership card to present to care providers. The card includes phone numbers to call if you have questions or require pre-certification for certain procedures.

The rates and terms of coverage described in this booklet are effective beginning September 1, 2017 through August 31, 2018.

If you decide this insurance is suitable for your situation, enroll online through MyUI or send your signed and completed enrollment form to the University Benefits Office by the appropriate enrollment deadline (see page 1). For additional information, you may contact the University Benefits Office at 120 University Services Building, call 319-335-2676 or toll-free 877-830-4001 or email at benefits-students@uiowa.edu.

The University of Iowa recommends that all departing students be covered under some type of health and dental insurance. We urge you to give the enclosed information your immediate attention.

SHIP is available to students who have recently left the University of Iowa. SHIP is a Blue Cross & Blue Shield Classic Blue Plan, which provides coverage for preventive care, hospitalization, surgery, maternity, well-baby/well-child care, emergency care for accident or illness, medically-necessary physician care, prescription drugs, and mental health.

HOW AN INDIVIDUAL USES THE SHIP PLAN

Health care under this plan is provided by various groups of health care practitioners, suppliers, agencies, programs, and facilities called Blue Cross and Blue Shield Classic Blue Providers who have agreed to join with Wellmark Blue Cross and Blue Shield of Iowa to offer each student affordable health care.

To receive the greatest benefits from SHIP, we advise you to use the physicians from the Blue Cross & Blue Shield Classic Blue Provider list which can be accessed at the Wellmark website.

IDENTIFICATION CARDS & POLICY INFORMATION

You will receive identification (ID) cards 10-21 business days after their application has been processed. A Coverage Manual that details complete information on benefits, definitions, terms, and exclusions is available from the University Benefits Office and on the University Benefits Office website. A list of providers may be accessed at Wellmark’s website.

BILLINGS

All premiums will be charged on a monthly basis. You will receive a bill from the University of Iowa for your health insurance premium. You may choose to have premiums deducted from a savings or checking account by completing the appropriate section on the enrollment form or an Authorization for Automatic Withdrawal of Insurance Premiums form, available in the University Benefits Office or through the forms link via the University Benefits Office website.

PRIVACY NOTICE AND RELEASE FORM

Federal law requires individuals to sign a release form before any information can be released regarding their health benefit information. No information will be given to a spouse/domestic partner, parent, child, or other representative unless that form is on file in the University of Iowa Benefits Office. If you wish health information released to anyone, complete the Personal Health Information Release Form at the end of this booklet.
CANCELLATIONS

Coverage can be cancelled for the following reasons:

- **You become ineligible for the continuation coverage under the policy twelve months after leaving the University** (i.e., if a student leaves in May 2017 and begins their continuation policy effective June 1, 2017, their insurance coverage will terminate on May 31, 2018 as they have exhausted the continuation benefit of the health insurance plan).

- The student may cancel coverage by providing a written request to the University of Iowa Benefits Office. **Coverage will terminate the last day of the month in which the request is made. The termination cannot be retroactive. No refund of premiums will be given.**

- The University of Iowa Benefits Office will cancel coverage for non-payment of premium.

COVERAGE TERMINOLOGY

SHIP is designed for you to be responsible for some of the direct costs of your health care through per-service co-payments, deductibles and co-insurance provisions as explained below.

**Per-Service Co-payment:**
A per-service co-payment is an amount that you pay to your provider each time you receive care. Your cost will generally be less when you use a Blue Cross & Blue Shield Classic Blue facility or practitioner.

**Deductibles:**
A deductible is the amount you pay for covered services for each separate admission to a hospital or nursing facility. This amount is subject to the benefit maximums. Deductible amounts apply only to inpatient admissions.

**Co-insurance:**
Co-insurance is the amount calculated using a fixed percentage that you pay for covered services after you have met the deductible responsibility. Your cost will generally be less when you use a Blue Cross & Blue Shield Classic Blue facility or practitioner.

**Out-of-Pocket Maximum (OPM):**
The OPM is the highest dollar amount you would pay for covered services. Your OPM equals your per-service deductible plus the co-insurance amounts and any co-payments.

**Medical Necessity Provision:**
The benefits available through SHIP apply only to medically-necessary care. Only your medical condition is considered in determining the medical necessity of a covered service. Non-medical factors, such as your financial or family situation, are not considered.

*The fact that a physician may prescribe or recommend a service does not mean it will automatically meet the standards for medical necessity. You should discuss the medical necessity of services with Wellmark 1-800-535-6099 before treatment or services are performed.*

The following is a description of the notification components with which you need to comply when you use Blue Cross & Blue Shield facilities or providers.
Pre-certification:
(Non-Emergency Admission) Before you are admitted to a hospital or nursing facility for a non-emergency procedure, or before you use home health care or hospice program services or services that require prior approval, you must contact Wellmark Blue Cross and Blue Shield of Iowa and receive pre-certification to determine if your care is medically-necessary. Participating practitioners and hospitals must do this for you; non-participating providers are not required to do so, so you must do it.

Admission Review:
(Emergency and Maternity Admissions) If you are admitted on an inpatient basis to the hospital for emergency or maternity services, your admission does not need to be pre-certified to receive the maximum benefits. However, Wellmark Blue Cross and Blue Shield of Iowa must be notified by you or your provider within 24 hours of your admission. The toll-free telephone number is printed towards the back of this brochure and on your identification card (ID).

If you or your provider does not notify Wellmark as required, you may have to pay as much as 25% of the cost of your care yourself in addition to the deductible and co-insurance amounts you are required to pay. You will be responsible for care that is determined not to be medically-necessary. These are excellent reasons to seek care from a Blue Cross & Blue Shield participating provider.

BENEFIT SUMMARY
More detailed information is provided in the Coverage Manual available online at the University Benefits Office website or by contacting the University Benefits Office. The benefit summary in this booklet provides a brief description of the important features of your Coverage Manual. This booklet is not your Coverage Manual. Only the actual benefit provisions in your Coverage Manual will determine your benefits. Please read your Coverage Manual carefully.

OTHER FACTS YOU SHOULD KNOW
- We may terminate your coverage without advance notice for fraudulent use of your policy.
- You become ineligible for continuation coverage under the policy twelve months after leaving the University.
- Wellmark Blue Cross and Blue Shield of Iowa will coordinate benefits with other group health carriers when duplicate coverage exists. Total payment from this coverage and all other group health coverages under which you are enrolled shall not exceed 100 percent of the cost of the covered services.

This is a general description of your coverage. It is not a statement of contract. Your actual coverage is subject to the terms and conditions specified in the policy between the University of Iowa and Wellmark Blue Cross and Blue Shield of Iowa.

REPATRIATION BENEFIT
A repatriation benefit applies to the student, spouse/domestic partner, or child covered under the policy. This must be applied toward those expenses incurred in returning the body to the person’s place of residence in his or her home country including, but not limited to, the cost of embalming, coffin, and transportation of the body.
MEDICAL EVACUATION BENEFIT

Medical evacuation services will be covered in the event of illness or injury to participants if necessary and adequate medical care cannot be provided at the location where the illness or injury occurs.

Medical evacuation benefits cover expenses to the nearest appropriate medical facility and/or to the participant’s home country. Pre-certification of medical evacuation services is required.

OUT-OF-POCKET MAXIMUM (OPM) EXPENSES FOR INDIVIDUALS

SHIP provides an OPM of $1,700 for Single and $3,400 for Family. There is also a separate OPM of $1,000 for Single and $2,000 for Family for prescription drugs. The OPM equals the per-service deductible plus the co-insurance and co-payment amounts. The OPM refers to the maximum amount you will pay for most covered services during an inpatient stay.

When the amount paid by the insured equals the OPM, the plan pays 100% of the maximum allowable fee for covered charges incurred for that admission. The maximum allowable fee is the amount established by Wellmark using various methodologies for covered services and supplies.

HEALTH CARE FOR INDIVIDUALS WHO ARE AWAY FROM IOWA

SHIP provides coverage worldwide. Choosing a Blue Cross & Blue Shield provider can be an advantage when receiving treatment.

The insured is responsible for telephoning the Blue Cross and Blue Shield of Iowa toll-free number before being admitted to a hospital for non-emergency care and within 24 hours of emergency and maternity admissions.

PRESCRIPTION DRUGS (3-TIER PLAN)

Preferred name brand drugs are drugs that are on Wellmark’s preferred list available on their website.

If you purchase a brand name drug when an FDA-approved “A”-rated generic equivalent is available, you are responsible for your co-payment or co-insurance, plus any difference between the billed charge for the brand name drug and the billed charge for the generic. This can result in you paying substantially higher costs than if you had chosen the generic drug.

If your physician feels it is important for you to have the brand name drug, they can write the prescription for the brand name drug with the direction “Dispense As Written” on the prescription. In this situation you will not be responsible for the difference between the billed charge for the brand name drug and the billed charge for the generic drug.

Self-administered, self-injectable drugs are covered under your medical insurance with 10% co-insurance.

HOW AN INDIVIDUAL USES THE DENTAL INSURANCE PLAN

Dental care under this plan can be obtained from any provider; however, there are advantages to using participating providers who have contracts with Delta Dental of Iowa, the dental insurance plan administrator. A list of plan providers may be accessed via the web at the University Benefits Office website. You will receive an ID card from Delta Dental of Iowa which you should present to your provider when you receive care.

Participating providers will accept payment arrangements and file claims for you. Payment is made directly to these providers.

Non-participating providers have not agreed to accept Delta Dental’s payment arrangements. This means you are responsible for any difference between your dentist’s covered charges and the Delta allowance. These dentists are not responsible for filing your claims. Claims are settled directly with you and you are then responsible for making payment to your provider.

HOW MUCH AN INDIVIDUAL PAYS FOR DENTAL SERVICES

Insureds will pay nothing out-of-pocket for diagnostic and preventive services, which includes dental cleaning, oral evaluation, imaging, diagnostic tests, fluoride applications (under age 19), sealant applications (under age 19), space maintainer (under age 14), and biopsy of oral tissue.

There is a $25 deductible per person, with a maximum deductible of $75 for a family, for restorative services (cavity repair, tooth extraction, root canals, treatment of gum and bone disease). In addition, the insured pays 20% of the remaining covered services.

For high cost restorations, such as crowns, inlays, dentures, and bridges there is a $25 deductible per person, with a maximum of $75 for a family. In addition, you pay 50% co-insurance for the remainder of covered services.

There are no benefits for orthodontics.

This plan will pay maximum of $1,000 per covered individual per year.

QUESTIONS AND ANSWERS

Q: Will all my expenses be covered by insurance?
A: No. “Insurance” does not mean “all your care is free”. Review the information about what is and is not covered. If you have questions about a specific service or procedure, call Wellmark Blue Cross and Blue Shield at 1-800-535-6099 or Delta Dental of Iowa at 1-800-544-0718.

Q: What do I do if I get a bill and I can’t pay?
A: Call the doctor or hospital’s billing office. Generally, they will try to set up a payment plan that you can afford. If you meet certain low-income guidelines and have small children, you may be eligible for help from the county, state, or federal government. Check listings in the phone book for places to contact.

If your insurance has not paid their portion of the claim, contact them to see if there is a problem. Pay the co-payment or co-insurance for which you are responsible and contact the doctor or hospital’s billing office to explain the situation.

DON’T IGNORE THE BILL. It won’t go away and may end up on your credit report, which could affect your ability to rent an apartment or buy a house or car.

Q: What if I think there is fraud involved?
A: For reporting potential health care fraud and abuse, visit the University of Iowa’s Benefits website under Health Information.
